| **eCampus Quality Instruction Program (eQIP)** | There are several components to the eCampus Quality Instruction Program including:  
1. **eCampus Teaching Online Seminar (eTOS)**: a 6-week professional development course that provides an overview of the key knowledge and skills faculty need to successfully teach an online course.  
2. **eCampus Course Design and Development Seminar (eCD2S)**: a 12-week professional development course in which faculty design and develop an online course that is of strategic importance to their department/college.  
3. **eCampus Course Design Phase (eCD)**: an 8-week development phase in which faculty collaborate with instructional design consultants to develop a course.  
4. **Quality Matters Peer Review**: an in-depth course review based on the online course standards defined by the Quality Matters Program, a nationally recognized program in quality assurance for online education
