Response Card NXT
Clicker Types

Response Card® NXT (Preferred)

Available at the BSU Bookstore

You will receive approximately 50% money back at the end of the semester if selling the Response Card NXT back to the bookstore.

Note: The Response Card XR (an older device available used) has a slower response time and you may not be able to complete answers before the allotted time for each question.

OR

Response Ware for Mobile Technology (Info)

Purchase through Turning Point Website

You will need the following school code to purchase this technology: Xuj4

Note: We will only provide minimal classroom support for this mobile technology.

Please enter your Response Device ID in the field provided below. Tracking of these IDs is essential for proper grading of classroom quizzes and participation, so please be sure to copy the ID exactly as it is written.

If you are using a Response Card, the ID can be found on the back of the card, where it is the 6 characters directly below the barcode.

Response Device ID: 031A76
Confirm Response Device ID: 031A76

Once you have entered in the ID Number, click the “Submit” Button.

Click [here](http://trainingportal.turningtechnologies.com/index.cfm) for a quick Response Card NXT navigation guide (how to change channels and answer questions)

For more detailed information, tutorials are available here: [http://trainingportal.turningtechnologies.com/index.cfm](http://trainingportal.turningtechnologies.com/index.cfm)

You will also find tutorials on how to utilize Response Ware (This is the mobile technology for which we will provide minimal classroom support)

**PLEASE NOTE:** Your clicker will appear to be working even if your clicker is not registered. But if it is not working you will not receive credit for your work.

Don’t forget to register your Device ID in Blackboard BEFORE the first plenary.

We will spend a few minutes in the first discussion group to ensure that everyone knows how to use their clicker.
