UF 300 Transitional Foundations

Personal Responsibility in a Global Community: Create, Innovate, Problem-Solve

Example of Course Projects:

- Civic engagement project: Generally 2—3 hours outside of the classroom. Service Learning opportunities available.
- Culminating Project: Team project investigating and presenting a solution to an ethical problem that considers diverse perspectives.
Completing your AA or AS degree or your core at another college or university? You may be eligible to enroll in UF 300 this summer or fall.
