Values

Boise State University is guided by a set of enduring values. These values guide our strategic planning, as they do all actions within the Boise State community.

- Academic Excellence - we engage in our own learning and participate fully in the academic community’s pursuit of knowledge
- Innovation - we strive to create new and better ways of accomplishing our mission
- Collaboration - we reach across institutional boundaries, working together for the success of the university and students
- Responsibility and Fairness - we are accountable for our choices and actions, which are based on an expectation of equality, impartiality, openness and due process
- Citizenship and Respect - we uphold civic virtues that prescribe how we behave in a self-governing community, obeying laws and policies while treating people with dignity, regardless of who they are or what they believe
- Caring and Trustworthiness - we manage ourselves with integrity by being honest in our communication and conduct, and by showing concern for the welfare of others
